"We Remember Her"

When we are weary and in need of strength,

When we are lost and sick at heart,

We remember her.

When we have a joy we crave to share

When we have decisions that are difficult to make

When we have achievements that are based on hers

We remember her.

At the blowing of the wind and in the chill of winter

At the opening of the buds and in the rebirth of spring,

We remember her.

At the blueness of the skies and in the warmth of summer

At the rustling of the leaves and in the beauty of autumn,

We remember her.

At the rising of the sun and at its setting,

We remember her.

As long as we live, she too will live

For she is now a part of us,

As we remember her.

Dear Mom

Thank you Mom, for all you've done to make our lives happy ones. You filled our hearts with joy and hope and taught us each day how to cope. Your faith and love has kept us strong, even when our ways were wrong. Now that you are gone from us, your light still brightly shines and leads us through life's darkest paths to mountains we can climb.

~ Your Loving Girls ~

Sorrowfully Submitted,
