THE LIFE AND LEGACY OF

Bettye E. Whiting

Bettye E. Whiting was born in Darby Township, PA on August 27, 1926 to Handy Mason Sr. and Alice E. Mason. She departed this life on April 27, 2018.

Bettye was baptized at an early age at Methodist Church. She received her education in the Darby Township School System. She went to nursing school and became a Practical Nurse.

Bettye's flair for fashion lead her to make a career change. She worked for Lerner's as a window dresser for 42 years until she retired.

She met and married George Whiting. She had several hobbies which included singing and interior decorating. She also enjoyed being a faithful servant to her church Millennium Baptist Church by singing on several choirs.

Bettye was a devoted wife to her husband George Whiting until the Lord called him home.

There is a lot more to be said about Bettye and her ninety-one years of life, but in conclusion her passion was the love of serving the Lord and her devotion to her family. On Friday, April 27, 2018 God called Bettye home.

Bettye was preceded her in death by brothers: Charlie, Mike, June, Walter Mason and sisters: Alice Howard, Mary Thompson, and Emma Mason.

She leaves to carry on her legacy: loving daughter Charlotte L. Walker, her beloved grandson Johnathan "Korky" Walker, beloved sister Florence Brown "Skipper" and special friends: Warren Davis, Alice Poteet, and Anthony Bowers, Robin Brown, Omeda Timmons, Connie Key, Hattie Morris, Gladys Davis, Barbara Wade, and Kelley Freeman, along with nieces, nephews and a host of other family, friends and church family.

Prayerfully Submitted, The Family

"FROM THE INSIDE OUT"

I know something about my Mother
My mother doesn't know this about me
It's something that I thought about
I know my mother from the inside out.
Yes this God fearing woman carried me for nine months
I was so warm and cozy inside
I had time to loot around, before I came outside
I saw a strong body, that made me know I had a good start
The one thing I saw and loved was her beautiful heart
She would sing to me and talk to me
She would feed me good and sometimes she would dance
God chose a good person to send me to, he planned this in advance
Then I heard his voice say, get ready to see the world,
It's time to introduce Bettye to her little brown eye girl
I was making my entrance, she was pushie and she was shovie
When they laid me gently in her arms, I heard her say look at my Lovey
When I saw her beautiful face, I knew God sent me to a good place
She worked hard to raise me, I know sometimes she would be tired
I was her first priority, she never pushed me aside
She took me to church and taught me how to pray
From first grade to twelfth grade and then to my wedding day
She's been right there with me every step of the way
Even with all of this, I could never figure out how
Miss Bettye came to learn about me from the inside out
Thank you God for I know without a doubt
You plan for us to know each other from the inside out

Sis, Lovey Walker
